

30<sup>th</sup> Oct 2020

Dear Parents/Carers and Staff,

Just a reminder that we have all been asked by Public Health England to self-isolate this week and next week. This means staying at home, not having visitors, changing any appointments you might have yourself or be taking your child for and staying safe. The idea is that, because we have cases in several classes across two pathways, we can try to break the cycle of contamination by allowing enough time away from school to reduce the risk.

This is an extremely difficult time for all of us and we know that you are making many sacrifices to ensure that this happens. We thank you all for your efforts.

Teaching staff are meeting with the Leadership team on Monday (2<sup>nd</sup> Nov), virtually, to ensure that all of our plans are put into place to ensure your child has plenty of work for the rest of the week. Teachers will then communicate with Teaching Assistants so they are informed and clear of their role. Then school staff will speak with you on Monday afternoon.

Thank you for your ongoing support as this very difficult time.

Regards,

Ruth O'Connor

Vice Principal
